The Society provides opportunities for people of all ages to learn about the history of Minnesota, collects and cares for materials that document human life in Minnesota, makes them known and accessible to people in Minnesota and beyond, and encourages and executes research in Minnesota History.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

Historic Sites and Museums: Administers historic sites and museums throughout the state for public benefit through programming and exhibits, entertaining reenactments of key events and historical characters, and participation in living history programs about the people who lived and worked at these historic places; Includes museum programs, activities and services at the History Center and the museum shops, parking, food service, and building rental at all facilities. Provides preservation and construction services; operates the Capitol tour program; administers the State Historic Sites Act. In FY 19 attendance at our historic sites and the Minnesota History Center once again exceeded 1M visitors, including over 200,000 students and chaperones. FY 19 saw preparations get underway for major construction and revitalization of Historic Fort Snelling, including new tour programming and exhibits. Major construction should start in FY 20. In FY 19 our Historic Sites and Museums became part of the Blue Star Museums program, offering free general admission to active military and their families during the summer at our museums.

4b (Code:) (Expenses \$ 12,739,787 including grants of \$ 0) (Revenue \$ 2,450,855)

Education, Outreach, and Content Development: Develops Minnesota history curriculum, provides teacher education and coordinates the Minnesota History Day program. Plans, fabricates and installs exhibits at Society interpretive facilities and museums throughout the state. Develops educational programming and outreach, including diversity and inclusion and Native American initiatives. Publishes books and other media related to Minnesota history. MNHS continues to be a leader in diversity and inclusion, engaging with traditionally underrepresented communities to ensure the diversity of Minnesota is reflected in all that we do, an example of which is having 18 college fellows and 28 interns being hosted by MNHS for career building opportunities. Native American Initiatives continued to work on building relationships and being an advocate for Native peoples across Minnesota and beyond. History Day continues to be a signature program for MNHS. In FY 19 more than 27,000 of Minnesota's students participated in the program, in school, regional, state and national levels, garnering two medals at Nationals. The MNHS Press continued its success with selling over 120,000 print and ebooks, an 11% increase. Our Exhibits department continued to share dynamic stories through new and returning exhibits, including the very popular and successful First Avenue Exhibit as well as an exhibit on Somalis and Minnesota and construction of a Native American Gallery.

This program includes the acquisition, preservation and cataloging of public records, as well as the Society's responsibilities as State Archivist. In FY 2019 the Gale Family Library at the History Center welcomed over 22,000 in-person and correspondence research requests, a number similar to last year. A new in-house digitization process allowed for 1.3 million pages to be added to the MN Digital Newspaper Hub bring the total page count to 3 million. Our collections continued to grow in FY 19, with the addition of more oral histories and over 2,400 new artifacts that were added to the collections. The Archaeology program completed a major project; survey and excavation work in connection with the Fort Snelling revitalization project.

Part IV Supplemental Information

Provide the descriptions required for Part I-A, line 1; Part I-B, line 4; Part I-C, line 5; Part II-A (affiliated group list); Part II-A, lines 1 and 2 (see instructions); and Part II-B, line 1. Also, complete this part for any additional information.

Schedule C, Part II-B, Line 1 - The MNHS receives a majority of its funding from the State of Minnesota. As a result there are activities that are performed that may be construed as lobbying activities. The MNHS maintains a presence on the world wide web. Included on our website is a webpage dedicated to legislative updates, the status of our appropriations, and at times a call to members and the public to contact their local legislators in support of MNHS' appropriations a/o pending legislations. Our website includes a program that allows the public to search and directly contact their representatives and other state leaders. In FY 19 MNHS spent \$6,000, as reported in Part II-B, line 1(i), on programs to contact legislators. In addition, the MNHS employs a Director of Public Policy and Community Relations whose primary function is to act in an administrative capacity in providing budgetary information to the State of Minnesota and to act as legislative liason as needed. At times this position may have direct contact with members of the legislative body or the public in a manner such that the activity could be construed as lobbying. Contract personnel may at times provide the same service. The MNHS has employed a lobbying firm to represent MNHS at the Minnesota State Legislature for specific legislation. Lobbying activities represent an insignificant amount of MNHS' annual operating expenditures. Of the total listed in Part II-B, line 1(g), \$50,000 represents fees paid to an outside lobbying firm for specific legislation.

Schedule D, Part II, Line 9 - The reporting of conservation easements by the MNHS relates to actions MNHS undertakes with respect to properties that MNHS monitors as the agent of the State of Minnesota's Historic Preservation Office. The MNHS undertakes such efforts with the following two categories of properties: 1) those transferred by the MNHS or another State of Minnesota agency to a third party (not itself, the state or state agency) subject to a restriction enforceable by the State of Minnesota's Historic Preservation Office that the property will retain and have ensured its long-term historic preservation as a National Register property; 2) those owned by an entity who has received federal grant funding in favor of improvements on the property subject to the requirements that a conservation easement be granted to the State Historic Preservation Office (for a specified time period) as a condition of such federal grant funding. These easements are not recorded in the revenue and expense statement or on the balance sheet or in the audited financial statement's footnotes due to the fact that the MNHS does not have a financial interest in these properties. In both of the above categories, MNHS undertakes and conducts a monitoring role to ensure the continued preservation of the property's historical significance and character. At the end of fiscal year 2018 the State Historic Preservation Office was officially transferred from the MNHS to the State of Minnesota. The MNHS and the State of Minnesota are currently coordinating and working out which entity will perform the function of monitoring these conservation easements.

Schedule D, Part III, Line 1 - The Society's collection of artifacts, documents, newspapers, pictures, paintings, tapes, and books is not capitalized because donated values are not readily determinable. Items purchased for the collection are expensed as acquired.

Schedule D, Part III, Line 4 - The MNHS' collection of artifacts, historic sites, documents, newspapers, pictures, paintings, tapes and books preserve the evidence of Minnesota's past. The collections support the work of MNHS' public programs and provide value to people interested in their history.

Schedule D, Part V, Line 4 - The endowment funds of MNHS support the institutions mission by providing support for public programs, care and operations of our historic sites, research, collections and general operations. The Society's endowment consists of approximately 167 individual funds established for a variety of purposes including both donor-restricted endowment funds and funds designated by the board of trustees to function as endowments. Net assets associated with endowment funds, including funds designated by the board of trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Part XIII - Supplemental Information (Continued)

Schedule D, Part X, Line 2 - The Society engages in activities that are considered as unrelated to its exempt purpose and these activities are subject to federal and state income taxes. For the fiscal year ended June 30, 2019, the Society estimated \$58,000, as its unrelated business income taxes and accordingly, has made provision for the taxes.

Schedule D, Part XI, Line 2d - Cost of goods sold expense as reported in Part VIII, line 10b.

Schedule D, Part XII, Line 2d - Cost of goods sold expense as reported in Part VIII, line 10b.
