### Off-Site Research Paper Judging

Confirm Judges: We will confirm Research Paper judging assignments based on the total number of papers submitted. First priority for selecting Research Paper judges goes to those judges who are not judging at other Minnesota History Day events.

**March 1**  
Receive Papers: You will receive an email with links to about 10 papers, judging instructions, top entry reporting form, judge comment forms and contact information for your judge partner. All materials will be distributed to judges electronically.

**March 2-14**  
Review and Discuss Papers: Make contact with your judge partner. Read and evaluate the papers. Working with your partner, come to a consensus on the top three papers in ranked order. Complete comment forms on all entries.

**March 14**  
Submit Results: Report the ranked order of your team’s top papers via web form no later than this date.

**March 22**  
Return Comment Forms: Completed comment sheets for ALL entries must be submitted digitally on or before this date. These comments will be returned to students.
